### Why we need your support

A forgotten and neglected horse stands alone in a scrap yard. Surviving on leaves from an overhanging tree, shivering as the rain penetrates her lice infested fur. She cannot ask you for help, but we can.

HorseWorld rescues, rehabilitates and re-homes equines that have been abandoned, mistreated or neglected; are retired racehorses or whose owners can no longer care for them. HorseWorld is a vital lifeline to these animals that might otherwise not receive the care they so desperately need. Without us, their suffering could continue and many vulnerable people would face the heartbreak of an uncertain future for the animal they can no longer care for.

**HorseWorld: giving horses ponies and donkeys in need a happy and safe future, free from pain or neglect.**

Our dedicated team work tirelessly to ensure that every horse receives the quality of life they so deserve, costing the charity over £1.5 million every year. We depend on the generosity of people like you to give every animal a second chance for a happy life. These horses rely on us... and we rely on you, people who love horses, ponies and donkeys as much as we do.

Every pound raised really does make a difference. So please, help us care for every horse that needs us - because your gift really could save a life.

## How You Can Help

There are many ways to support HorseWorld and help us continue to rescue, rehabilitate and re-home horses, ponies and donkeys in need.

### Donations

Every penny counts and your donation, whatever the size, helps make a real difference to horses in need. Here are some examples of how your money could be used:

- £11** will buy a 'giddy up' rope, important for non-contact training
- £30** will buy a basic grooming kit to keep the horses in tip top condition
- £60** pays for a year's routine vaccinations to keep a horse healthy and fit
- £100** will pay for the farrier to trim 10 horses feet
- £400** feeds 5 horses in our Equine Welfare Yard for two weeks
- £1,200** will provide a horse with a six month rehabilitation programme, vital to ensure a happy and secure future

Please make a donation today using the tear-off form, and help guarantee a safe future for the horses, ponies and donkeys in need.
