A History of HorseWorld

HorseWorld Today: **Rescue**

HorseWorld can respond to a call of animal neglect at a moments notice. Rescues can range from a straightforward case that takes half a day, to the collection of a herd of 12 horses and ponies that takes 8-10 staff members, four trailers and 12 hours to complete.

HorseWorld Today: **Rehabilitation**

New arrivals at HorseWorld are isolated for three weeks before work begins assessing each animal's state of fitness and its needs. Our experienced staff then begin training, working on each horse's fitness and behavioural issues in partnership with vets, chiropractors and dentists. We take as long as the horse needs, working with them gently and sympathetically with the ultimate aim of getting them to a point where they can be re-homed.

HorseWorld Today: **Re-homing**

HorseWorld has evolved over the years from a retirement home for unwanted horses to a dynamic organisation that focuses on ensuring the best quality of life for every animal in our care. We firmly believe that every animal deserves a second chance at life, no matter how bad a start it may have had. Our objective is always to find loving loan homes where the horse or pony will receive the love and one-to-one attention it deserves. We currently have over 350 horses on loan throughout the South-West region, all of which are enjoying life as ridden or companion animals.

Adopt an Animal – today

Your adoption donation will contribute towards the feed and care of all the horses, ponies, donkeys and other animals at HorseWorld. It will also help us to continue the work of **rescuing, rehabilitating and re-homing** animals that really need our help. As a charity HorseWorld relies heavily on the support of visitors who adopt a horse, donkey or other animal to help them on the road to recovery.

Help us to help them by adopting an animal today!

Whether you're buying an adoption for yourself, as a gift or whether you're a club, business or school, we have an adoption package that will suit you.

What will you receive?
