

A world free from cruelty and suffering: Our Vision for the Future

We have a vision of the future where no horse, pony or donkey is mistreated and receives the love, care and protection they deserve.

For many of our supporters, leaving a gift to HorseWorld in their Will is a way they can support our work, many years from now. If there is ever a time when this suits your circumstances, we would really appreciate your generosity and commitment to our work to save neglected animals.

What your Legacy could buy

We know that providing for your family and friends is important to you and you will want to make sure that everyone in your life knows how much they meant to you. A gift to HorseWorld, of any size, will be used to directly benefit hundreds of neglected, mistreated and abandoned horses, ponies and donkeys every year.

Here are just some of the ways that your legacy could be used to make a difference*:

£100 can pay for 10 horses with neglected, painfully overgrown hooves to have their feet trimmed

£500 can vaccinate 9 horses against deadly diseases

£1,500 can pay for the rescue of 2 horses, dangerously ill and in need of veterinary attention

£2,500 can provide long term sanctuary and a contented retirement for an elderly or sick horse

£5,000 can pay for around-the-clock bottle feeding of an orphaned foal for two weeks

£10,000 can pay for an Equine Welfare Officer to respond to reports of neglect for 6 months

£35,000 would pay for all veterinary costs at the Equine Welfare Yard for one year

(*Please note that these are in today's prices)

What Next?

If you already have a will and would like to add a gift to HorseWorld, or leave your horse to us, this can be done using a Codicil. A Codicil need not change the terms of your current will, it can simply add a new instruction.

To write or amend your will, you may wish to engage the services of a solicitor. We are pleased to provide some information to help you decide what to do next.

We have teamed up with 'The Goodwill Partnership' the largest distributor of home-visit solicitor-provided wills in England and Wales. They guarantee to offer the lowest price for a home visit will which is checked and provided direct to you by a panel firm of solicitors who can also provide legal advice and storage of your signed will if you wish.
