## Birthday Party Terms & Conditions

The two most important requirements for having a successful party at HorseWorld and for making your party run smoothly are:

- The party organiser *must* come to the admission desk to make final arrangements prior to bringing the whole party into the shop. All groups *must* be kept together when entering the shop.
- Even though children will be excited on their day out, they *must* behave well and respect the sensitivities of other people and our rescued animals.

- Parties are for children aged 2-12 and pre-booking *is* essential.
- Parties must be paid for minimum of 10 working days in advance.
- Minimum of 10 children per party and up to maximum of 25. A deposit of £99.50 is required to cover the cost of our minimum requirement of 10 children and final payment should be made on the day.
- Cancellations 10 working days prior to the date of the party are eligible for a full refund.
- Final numbers and catering requirements *must* be advised at least 48 hours in advance of the party.
- Children *must* be supervised at all times – please note this is not the responsibility of HorseWorld or the representative acting as party host.
- The menu may vary slightly from advertised.
- Party food cannot be guaranteed as free from nuts, gluten or any other ingredient. Please mention any allergies when booking or specific dietary requirements are encouraged to bring their own food.
- Birthday cakes are not provided, but you are welcome to bring one.
- No food from outside HorseWorld should be consumed in the party room, other than birthday cakes and for special dietary requirements.
- Please arrive and depart from the party room promptly. You will have the room for one hour and ten minutes in total, starting five minutes before your party commences.
- One adult per five children, these adults will be admitted free of charge to supervise during party time. Or a surcharge of £25 if all of the parents wish to stay (maximum of 2 adults per child)
- If parents/guardians wish to remain at HorseWorld with their children, before, after or during the set party hours, reduced admission rates are available – a child's full day admission is covered by the party package.
- If children are being collected by their parents at specific times, please ensure they are brought to the admissions desk. Unfortunately we cannot allow adults admission to the Visitor Centre unless they have paid the reduced admission rate.
- Party package prices are applicable to all, including all HorseWorld members. Special rates for season ticket holders.
- Due to the sensitive nature of our animals, and because HorseWorld is open to other paying customers, we ask that you carefully supervise your children at all times to prevent screaming, shouting and insensitive handling of animals.

Thank you in advance for your co-operation and  
we hope you enjoy your day.
